Ad Executive Found Dead

January 22, 2012

The Moscow head of an international advertising company was found dead in his apartment following an apparent suicide, investigators said Sunday.

Oleg Khripunov, the 52-year-old chief of Out There Media's Russian office, was discovered Saturday with a gunshot to his head in his home on Ulitsa Kosygina in southwestern Moscow, Interfax reported.

Two rifles — a Tigr and a Saiga — were found nearby. A suicide note was also discovered, leading investigators to believe Khripunov had killed himself, the Investigative Committee said in a statement. The committee did not disclose the contents of the note.

Out There Media specializes in mobile advertising. It is headquartered in Vienna, Austria, and has offices in several countries.
