**MT CONFERENCE SPECIALS** are materials prepared by experts – partners of the newspaper The Moscow Times and published on its pages. In 2009 an expansive series of supplements, on topical issues within business, investment and careers, is planned.

**B2B BUSINESS SPECIAL**, published on Tuesdays, is devoted to the theme of The Moscow Times' conferences. The authors are experts from Russian and Western companies. The unique thing about these articles is the practical content and the useful advice from pre-eminent lawyers and consultants. The key themes for 2009 are "Tax strategies in Russia", "British-Russian cooperation", "How to survive the crisis – 10 ways to cut spending", "Government Relation – Public Private Partnership", "Social responsibility in Russian business", "Foreign employees in Russian businesses", "Changes in labour and migration legislation", "Land and real estate market", "Leasing", "M&A", "Commercial real estate"

**MARKET OVERVIEW** is published once a month, on Tuesdays, and gives review and analysis of markets and important sectors in Russian Business. All material is prepared by leading analysts from Russian and Western companies.

**EMPLOYMENT** column comes out every Wednesday, and contains thematic articles about topical issues within HR: motivation of personnel, payment, problems with employers, dismissals and staff reduction, meetings at work, creating a career in Russian and Western companies, crisis management, HR trends in 2009, C&B, optimizing work in the personnel department, foreign workers, migration law.
