Full color magazine dedicated to employment and education. Published twice a year (Spring/ Autumn).

Readership — business professionals and specialists, recent graduates, students.

Jobs & Careers Business Review is published on 25 March and 7 October. This year the magazine is devoted to the most useful information about the job market: interviews with experts and representatives of famous companies, effective strategies for making a career during the time of crisis, topical advice on how to find work, information about recruiting agencies, contemporary services in the field of selection and job placement of personnel, vacancies and graduate programs from Russian and Western employers, topical questions of motivating staff, payment, C&B, problems with employers at the time of dismissals and staff reductions, news about MBA and other business education in Russia and abroad.

Additional distribution — conferences and exhibitions in Russia and abroad, education forums, career days at major Moscow universities, job fairs, MBA fairs in Moscow.
