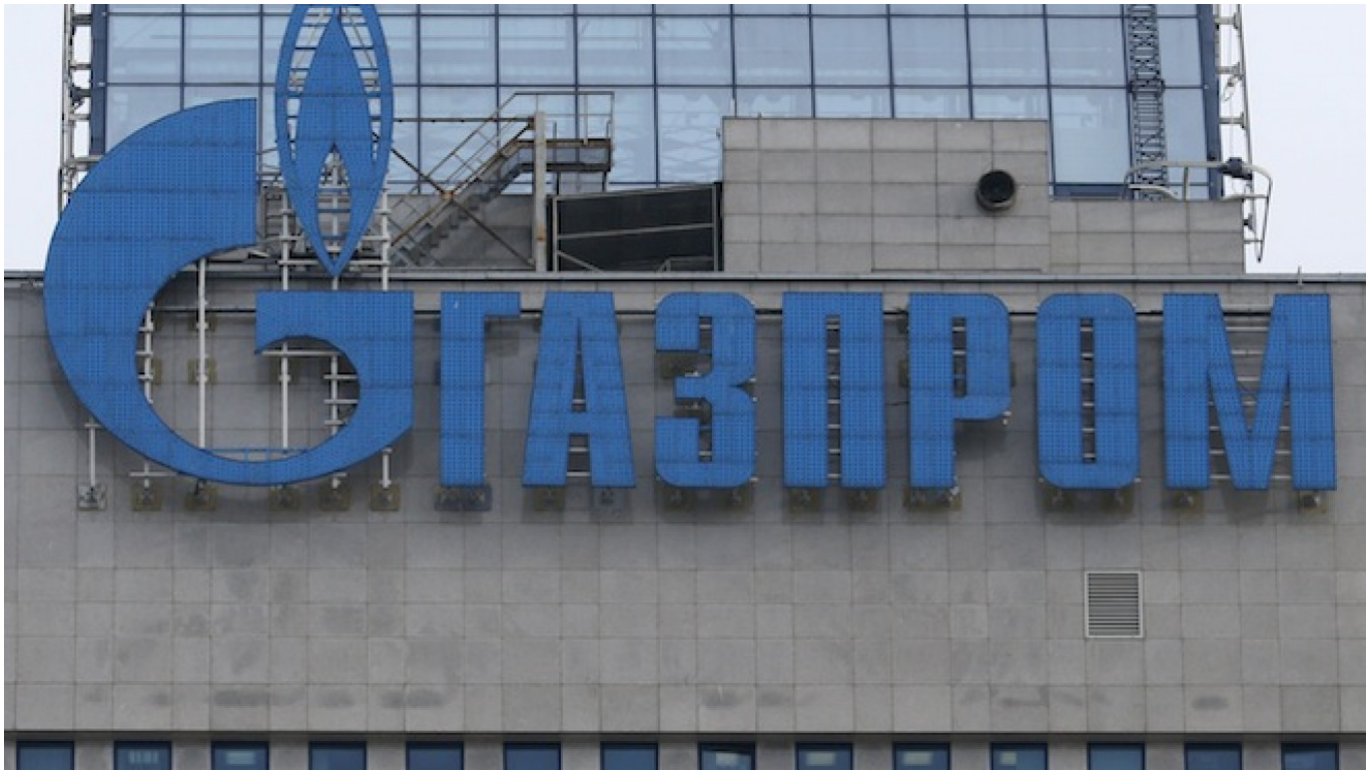
Gazprom Says Ukraine Has Paid for Russian Gas Until March 15

By The Moscow Times

March 10, 2015



An employee stands near a window, with the company logo of installed on a building, at the headquarters of the Russian natural gas producer Gazprom in Moscow.

Russia's top natural gas producer Gazprom said on Tuesday that Ukraine's pre-paid volumes of Russian gas would last until March 15, TASS news agency cited the company's spokesman as saying.

On Friday, Gazprom said it had received $15 million from Ukrainian state energy firm Naftogaz for gas deliveries.
