U.S. Citizen Found Dead Outside Apartment Building

By The Moscow Times

October 01, 2012

A 75-year-old man with United States citizenship was found dead outside a residential building in eastern Moscow after apparently having fallen from the window of his friend's apartment, Interfax reported.

A law enforcement source told the news agency that the body of the unidentified man, born in the Soviet Union, was found on Sayanskaya Ulitsa near the Moscow Ring Road around 1 p.m. on Sunday.

No other information was immediately available regarding the incident.
