The Internet Reacts to Putin's Fourth Inauguration, in Memes

May 07, 2018

Putin was sworn in for the fourth time as Russian president on Monday. No serious state affair would be complete without its share of memes, jokes and fun on the internet. Here are a few of our favorites.

Presidential elections or a chapter from a horror story? A bit of both, according to some.

Some internet users cited Saturday's mass protests against Putin's inauguration, which were dispersed, in part, by cossacks and riot police.

"Today's inauguration in one picture."
