

RusAl Splits Alumina Unit

By [The Moscow Times](#)

July 26, 2010

The  **Moscow Times**

United Company RusAl split its alumina production unit into east and west divisions, the company said Monday.

Valery Matviyenko, a former Norilsk Nickel deputy chief, will head Alumina Division East, which includes Russia and Ukraine, RusAl said. Yakov Itskov, who has worked at Russneft, will head the west — or international — division, the company said. ☒
