July 28, 2010

**The  Moscow Times**

Gazprom Neft on Wednesday boosted crude output 7.1 percent in the first half, more than planned from a year earlier, led by its Serbian Naftna Industrija Srbije unit.

Oil production rose to 24.4 million metric tons in the period, the oil producer said. Gazprom Neft had planned to boost output by 2.1 percent from a year earlier.
