Rosneft Pays Yukos

By The Moscow Times

August 09, 2010

Rosneft paid Yukos Capital in accordance with a court order, Interfax said, citing an unidentified company official.

The oil producer transferred 12.9 billion rubles ($431 million) Monday and $857,500 on Aug. 6, the news service said.

Rosneft's press service said the company had settled its debt to Yukos, confirming the payment dates, while declining to give the sums paid.
