

## **Titanium Orders to Increase**

By The Moscow Times

November 22, 2010

VSMPO-Avisma, the world's largest producer of titanium, said Monday that sales may climb between 20 percent and 25 percent next year on orders from Siemens and U.S. specialtymetals producer Allegheny Technologies.

VSMPO's joint venture with Allegheny will double orders in 2011, while Siemens may sign a three-year contract to buy welded pipes, the company said.
