

VEB to Re-Sell Gazprom

By [The Moscow Times](#)

December 05, 2010

The  **Moscow Times**

Vneshekonombank plans to sell the 2.7 percent of Gazprom it bought from E.On for profit after the share price rises, VEB head Vladimir Dmitriyev said, RIA-Novosti reported Friday.

Dmitriyev had said Thursday that VEB doesn't plan to sell the stake, considering it a long-term investment, RIA-Novosti reported. ☒
