

\$2Bln for Norilsk's OGK-3

By [The Moscow Times](#)

December 09, 2010

The  Moscow Times

Norilsk Nickel is seeking more than \$2 billion for its controlling stake in the OGK-3 power utility, Norilsk co-owner Vladimir Potanin said Thursday.

Norilsk is studying proposals from EuroSibEnergo, controlled by rival Norilsk shareholder billionaire Oleg Deripaska, and state-run Inter RAO, Potanin told reporters. Inter RAO's bid is more detailed, he said. ☒
