

Peruvian Diplomat 'Killed'

January 12, 2011

The  Moscow Times

Peruvian diplomat Sergio Alonso Del Castillo Cebreros who went missing in Moscow during the New Year festivities was probably killed, an Investigative Committee official told Interfax.

The official named no suspects and did not elaborate on why investigators think the diplomat was murdered. Cebreros, second secretary of the embassy, was last seen leaving the Rolling Stone bar on Bolotnaya Naberezhnaya at about 6 a.m. on Jan. 1.
