

Satanist Link to Deaths

January 27, 2011

The  **Moscow Times**

Teenage lovers who jumped off the roof of a building in Moscow region in January committed suicide because of abuse by unidentified satanists, the local branch of the Investigative Committee [said](#) on its web site Thursday.

The teens, whose names were withheld, mentioned the abuse in a mail exchange, now being analyzed by investigators, the report said. It remained unclear what sort of treatment the two 15-year-olds received or what prompted it.
