

Airliner Loses Wheel

April 19, 2011

The  Moscow Times

A Moscow-bound SkyExpress plane lost a wheel on its front landing gear while taxiing for takeoff at the Rostov-on-Don airport on Tuesday, Interfax reported.

No one was injured in the incident, and the 78 passengers on the Boeing 737 were booked on different flights to Moscow, the report said.

The cause of the incident was under investigation.
