

Biden Invites Putin to U.S.

April 24, 2011

The  Moscow Times

U.S. Vice President Joe Biden has invited Prime Minister Vladimir Putin to visit the United States, Putin's spokesman Dmitry Peskov said.

Peskov said Putin neither accepted nor rejected Biden's invitation because of complex schedule issues. It was unclear when any visit might take place. The phone call Thursday was a follow-up on Biden's visit to Moscow last month aimed at boosting economic cooperation.
