**The  Moscow Times**

Sollers Group increased its sales of cars and light commercial vehicles by 53 percent to 52,430 units in January-June 2011, the group said in a statement Thursday.

Sales of SsangYong vehicles produced by Sollers increased 84 percent to 9,107 units in the six months, while sales of UAZ vehicles increased 34 percent year on year to 27,650 units.

Sales of Fiat cars in the six months went up 150 percent to 7,581 units, while LCV sales increased 31 percent to 6,902 units. Sollers sold 1,190 Isuzu vehicles in the six months, versus 109 units in the same period the year before.
