Far East Casino Gets First Gambling Permit

October 10, 2011

A developer has won permission to build Primorye region's first legal casino, Lenta.ru reported on Monday.

The First Eastern Gaming Company is finalizing the design for an entertainment complex, which will include the casino.

Primorye region is one of Russia's four legal gambling zones, which were established by federal law in 2009. The Azov City zone in January 2010.
