

Baturina Summoned

November 16, 2011

The  Moscow Times

A court has issued a summons ordering Yelena Baturina, wife of ex-Mayor Yury Luzhkov and former owner of real estate giant Inteko, to appear for questioning in connection with an embezzlement case, Interfax reported Wednesday.

Baturina, who currently resides abroad, will "consider" the summons, her lawyer said. No date for her interrogation was set.
