

NATO Protest in Ukraine

January 26, 2012

The  Moscow Times

SEVASTOPOL, Ukraine — Anti-Western activists in southern Ukraine protested the arrival of a U.S. Navy ship that will take part in joint military drills.

Some 100 mostly elderly protesters rallied in the Black Sea port of Sevastopol against Ukraine's cooperation with the United States and NATO.

The activists burned a mock American flag, and shouted "Yankee Go Home" upon the arrival of the Vella Gulf guided missile cruiser.
