

Mom Fights Child Support

August 19, 2012

The  Moscow Times

Torry Hansen, the American woman who sent her adopted son back to Russia, has appealed court-ordered child support for him, saying she cannot afford to pay \$1,000 a month.

Hansen filed the appeal last week after a judge upheld his decision for her to pay \$150,000 in child support. Hansen said she has no job and no income.
