Norilsk Nickel, the world's largest nickel and palladium miner, expects its first-half net profit to exceed \$1.4 billion, the company said Friday.

According to preliminary results, its first-half revenue will exceed \$5.9 billion, while EBITDA will reach \$2.5 billion, Norilsk added.

The company did not provide updated data for the first half of 2011, when it reported net income of \$1.8 billion and revenue at \$7.3 billion.
