

Yerevan Says Azeris Seek War

October 06, 2012

The  Moscow Times

Armenian President Serzh Sargsyan accused Azerbaijan of threatening a new war over the disputed territory of Nagorno-Karabakh.

Azerbaijan is accumulating a "horrendous quantity" of arms in preparation for a resumption of fighting, Sargsyan said Friday in an interview. He said that Armenia wanted a negotiated settlement to the conflict and that he would spare no effort to achieve it.
