

## Today in History, Nov. 5

By [The Moscow Times](#)

November 05, 2013

The planetarium was the first to be built in the Soviet Union. **Stone\_Cold\_Crazy**

Eighty-four years ago today, on Nov. 5, 1929, the first planetarium opened up in Moscow. The planetarium was only the 30<sup>th</sup> to be built worldwide, and this sparked massive interest from the public with the poet Vladimir Mayakovsky even writing a short poem for the occasion.
