Lavrov to Join Vienna Talks on Iran's Nuclear Program

November 23, 2014

Russian Foreign Minister Sergei Lavrov will arrive in Vienna on Sunday evening to take part in international talks on Iran's nuclear program, the TASS news agency quoted a source with Russian delegation as saying.

Lavrov earlier canceled his meetings planned for Monday in Moscow as world powers and Iran hold the final round of talks in Vienna before a self-imposed deadline on Nov. 24.
