

Moscow Driver Dies in Crash With Snowplow

February 09, 2015

The  Moscow Times

A BMW crashed into a truck that was clearing snow from a tunnel in central Moscow early Monday morning, killing the BMW's driver and injuring two people in the truck, news reports said.

The BMW X6 was reportedly heading down Kutuzovsky Prospekt around 1:20 a.m. when it slammed into the truck in the far left lane just outside the Dorogomilovsky tunnel.
