

20 Questions Russians Should Ask Themselves Before Taking a Selfie

By The Moscow Times

July 08, 2015

As Russia debates <u>how to take a safe selfie</u>, it's important to remember that safety shouldn't be your only concern when taking a picture of yourself.

This article, which originally appeared on The Moscow Times website in 2014, explains what other factors to look out for before you take that shot.
