[Yandex Timetable](#) reports that 22 flights have been cancelled and 23 delayed at Moscow airports on Friday morning.

One flight was cancelled at Vnukovo airport, seven were cancelled and 13 were delayed at Domodedovo airport, and 14 flights were canceled and ten delayed at Sheremetyevo airport.

No reason was given for the cancellations. However, earlier this week, more than 40 flights were delayed or cancelled at Sheremetyevo due to unfavorable weather conditions.
