78 Flights Cancelled at Moscow's Airports, 14 Delayed

December 07, 2016

Artyom Korotayev / TASS

The Yandex Timetable service reports that 78 flights have been cancelled and 14 delayed at Moscow's airports.

Since 10:00 AM Moscow time, 73 flights were cancelled at Moscow's Sheremetyevo airport and eight were delayed. At Domodedovo, four flights were canceled and six delayed. At Vnukovo airport one flight has been canceled.

Last night, temperatures in Moscow dropped to -13.7 degrees Celsius, making it the coldest night of the autumn and winter season this year. On Wednesday, temperatures are expected to rise to -7 or -9 during the day, and remain there throughout the night.
