

Car Attacked With Molotov Cocktail in Central Moscow

May 24, 2017

Mstyslav Chernov / Wikicommons

An unknown attacker has thrown a molotov cocktail at a car in central Moscow.

A man threw the homemade bomb at a high-end Mercedes Maybach which was waiting to pull into a secure area off Tretaya Frunzenskaya Ulitsa.

The bottle reportedly hit the trunk of the car as the driver pulled away, [the Moskva news agency reported](#). No casualties have been announced.

Moscow police are investigating the incident.
