Bridges Across Russia Through Instagram

February 16, 2018

With its countless rivers and tributaries, Russia has no shortage of stunning bridges. We asked you to send us your favorite photos of bridges and received submissions from Moscow to Novosibirsk.

Next week, we'll publish your best shots of Maslenitsa celebrations around Russia. Bonfires, scarecrows, pancakes — show us what you're up to before Lent begins and vegetarian menus make their way to your table.

You can submit your picture on Instagram by tagging us @themoscowtimes or using #themoscowtimes hashtag.

Or check out our favorite views of statues in Russia from last week here.
