FIFA Fines Russia Over Racist Chants at France Friendly

By Reuters

May 08, 2018

Zenit / TASS

FIFA said on Tuesday it had fined the Russian Football Union 30,000 Swiss francs ($30,000) for racist abuse directed at French players by Russian fans during a pre-World Cup friendly.

A Reuters photographer at pitch level for France's 3-1 win against Russia in March in St Petersburg heard monkey chants directed at French players on several occasions, including when N'Golo Kante came to the sideline for a throw-in.
