Inside A Moscow Art Studio: Irina Korina

November 15, 2018

Albina Shaimuratova

The Moscow Times sent photographer Albina Shaimuratova and journalist Andrei Muchnik to the studios of some of Moscow's up-and-coming young artists to see how and where they work and explore some of the connections between their spaces and their art. This week we see the sedate studio of Irina Korina and the anything-but-sedate art that was conceived there.
