The 10-Year Challenge, Russian-Style

January 21, 2019

MT

As the rest of the world delighted in, rolled their eyes at or shared conspiracies over the #10yearchallenge, Russia wanted to play, too. Here are a few takes on the viral meme, done in a way only Russia can.

Save my seat for me, won't you?

Igor Chaika, the son of Russia's Prosecutor General and a businessman, is all grown up.

Who knew that the key to eternal youth would be embalming and careful reconstruction?
