Kremlin Says It Is Following Situation with Calvey's Detention Very Closely

By Reuters

February 18, 2019

Michael Calvey **Igor Ivanko / Moskva News Agency**

The Kremlin is following the situation around the detention of Baring Vostok's head Michael Calvey very closely and hopes it will not affect the Russian investment climate, Kremlin spokesman Dmitry Peskov told reporters on Monday.

He said President Vladimir Putin had met Calvey many times in the past but that his detention was beyond Putin's remit.
