

Russian Social Media Explodes With Memes After Zelenskiy's Win in Ukraine

April 22, 2019

Zelenskiy and Poroshenko face off in a rap battle. **Vkontakte**

Russian Twitter users had plenty of memes at the ready for Ukraine's presidential election on Sunday.

Ukraine's election of comic actor Volodymyr Zelenskiy only heightened the stakes for meme-makers across Russia — as only the funniest memes would do.

Here are some of our favorites:

Can a Russian comic become a president? Putin doesn't think so.

What's the difference between a presidential debate and a rap battle?

"Jon Snow before a battle with the Night King."
