# Russia Armed and Ready With Memes for Game of Thrones Finale

May 22, 2019

Warning: Spoiler alert. All the spoilers. Russia loves a good meme as much as any country — and what better occasion to go all out than the "Game of Thrones" finale? Here are some of our favorite Russian memes from the final episodes of the hit series (Again, many spoilers ahead):

It was a good plan. **gameofthronesdracarys / Instagram**

Don't look now, but....

Proof that the finale was written by Catelyn Stark:

1) Sansa – Queen of the North

2) Bran – King of Westeros

3) Arya – Traveling, doing what she wants

4) Jon Snow – Forgotten bastard on the edge of the world

Jon: Marry Daenerys, become king and live happily.

Also Jon: Ask for help in the war from the beginning, where she will lose two dragons and half the troops, and kill her in the end.
