# Vintage Soviet Cars Cruise Into Moscow

July 29, 2019

Moscow's Red Square roared to life with vintage chic on Sunday as an extensive collection of unique Soviet cars cruised past the Kremlin and St. Basil's Cathedral. The annual GUM AutoRally began in 2014 and is the most prestigious event of its kind in Russia. During the rally, 120 cars raced each other along a 120-kilometer route past the Russian capital's iconic sights. Here's a look at the retro rally:
