

From the Archive: The 1990s Moscow Metro, in Photos

November 13, 2019

The 1990s were a time of huge change and upheaval for Russia — and especially for Moscow. What was life like for Muscovites that decade? What did people look like? How were they dressed? Were there long lines and dour faces? These photos of the iconic Moscow metro from The Moscow Times' archive offer answers to all of these questions. Here's our time machine into the past:
