Sport Marafon

Their selection is very wide with more than 300 brands and it contains expensive brands, as well as more affordable ones. Brands we like are The North Face, Scott, Helly Hansen, Burton and Head. Prices are not cheap, but reasonable and if you sign up for their discount card which will give you a 5% instant discount.

They even have a small coffee corner and kids play area, which can be very convenient as you might spend some time here in this "ski candy store".

Check out their full collection online before you go. This is definitely the best place to be for all your ski gear in Moscow!
