What Can You Find in Moscow's Trash?

By Héloïse Bargain and Samantha Berkhead

November 22, 2019

What can you find in Moscow's trash? Alina is a young Muscovite who has been collecting food thrown away by Moscow's cafes and grocery stores for the past several months. While dumpster-diving is a well-known phenomenon throughout Western countries, in Russia this unusual activity comes with its own unique challenges. Hold your breath and dive into Moscow's trash.
