

Sep Jordan – Luxury Ethical Brand

December 12, 2019

We got introduced to Sep Jordan brand at a fair. A beautiful scarf caught our attention first with its color and nice ornament, and as soon as we felt the cashmere softness and saw the handmade embroidery we fell in love.

Sep Jordan

Sep Jordan is an ethical luxury brand with beautiful shawls, cashmere scarves and ponchos, keffiyeh and a home collection. The linen and cashmere in the products is of the finest quality and comes from Italy. Each piece is hand embroidered by a refugee living in camps in Jordan, creating a platform to empower their social and economic freedom.

Sep Jordan is a very high quality brand which is sold internationally. Fashion accessories by Sep Jordan are a fusion of Italian style and Middle Eastern craftsmanship. At the fair we met Dana who is the official distributor of Sep Jordan in Moscow. Dana has a showroom in Moscow where customers can see the whole collection. If you visit Dana's showroom do not miss her jewellery collection also from the Middle East.
