

Handmade Jewelry – Perfect Gift

December 17, 2019

We met Polina Selezneva at an art fair a few years ago and we were very impressed by her original, high quality and handmade jewelry. She works with beautiful natural materials and uses many bright colors in her designs.

Polina Selezneva

Over the years we bought several earrings, bracelets and necklaces for ourselves, as her affordable prices make it irresistible to treat yourself. She offers a very good value for money and has a wide selection so it's hard to not find anything you like. We always bring back these colorful handmade jewels as a gift for our family & friends. It's a very much appreciated gift and a nice change from the traditional Russian souvenirs.

You can see her full collection in her showroom or order a selection of her collection online. If you mention "*moscowliving*" when you order you will get a 15% discount.
