

Big Wine Freaks – Colorful Gastrobar

RESTAURANT - BAR - INTERNATIONAL - NATURAL WINES - MUSIC

January 08, 2020

We were a bit sceptical because of the name, but our friend recommended it and we are very happy she did! This restaurant & bar was one of our favorite and most surprising discoveries last year!

Big Wine Freaks

A high quality restaurant & bar in one, with nice music and a great atmosphere. In the weekend it turns into a bar with music, but even during the week it's lively here. The interior is very colorful and warm with rugs& silk covering the walls. They were even nominated for the German Design awards last year.

We tried many dishes and even though they all tasted & looked very nice, we can especially recommend the shrimp dim sum, roasted artichoke, steak bavette and cabbage with smettana & fish roe.

Not often do you find a place where everything is right: the quality of the food, great wines,

inspiring interior, good music and a cozy atmosphere. But this place just has it!

Location: Bolshaya Nikitskaya 62/3
