

Russia Opens Fairy-Tale Theme Park

February 29, 2020

Russia's answer to Disneyland opened its doors to the public Saturday, promising home-grown wonder for children of all ages. In the age of sanctions and strained U.S. relations, all stories, characters and attractions in Dream Island are Russian-themed. The complex covers 30 hectares in an industrial neighborhood in southern Moscow, and is aiming to be one of the biggest and the best theme parks in the world. Experience the magic:
