

## Best Books - top 7

April 10, 2020

Now we all of a sudden have to spend a lot of time at home it's wise to create some new routines that will get you through the day and create some "me-time" in your new reality. Reading books is the perfect way to relax and keep your mind "fit", so we list our top 7 books for you if you need some inspiration.

### Goodreads

This book is so impressive you won't be able to put it away and it will make you cry out loud and you don't care. We never read a book before that captured us like this one. Everything is good about it, the intense story about friendship, violence, different characters, love, perseverance and all written so delicately that despite the intensity of the story it is easily read. A must read!

This story is so original and subtly written that it's a real turnpaker. The strength of the

book is it's originality of the story line about a famous author with a well kept secret, which will keep you curious until the plot. Enjoy!

Looking for a book by a modern Russian author? We can definitely recommend Zuleikha, as the book raises a lot of historical, cultural and religious issues. Despite the fact that it takes place in a very cruel time, the main character Zuleikha can still find her happiness.

We don't want to be all pretentious about our favorite books, so this police thriller series of books we can recommend if all you're looking for is a quick, exciting police thriller with an interesting psychological touch. Do check the chronological order of the titles before you start, so the flow of the story will be better.
