

Moscow Confronts Second Coronavirus Wave, in Photos

October 13, 2020

As a second wave of the coronavirus pandemic hits Russia, Moscow is once again eyeing new restrictions to prevent the virus' spread among the city's 12.7 million people. As of Tuesday, Moscow has confirmed 339,431 cases of Covid-19, with 264,500 patients recovered. Here's a look at life in Russia's capital amid the second wave:
