Moscow Welcomes Winter's First Snowfall

November 24, 2020

Cyclone Sara arrived in Russia from northern Europe late on Sunday, bringing the much-awaited first substantive snows of the season to Moscow. Muscovites streamed outside to enjoy the winter wonderland while they still can — because it's already expected to disappear when warmer weather arrives later this week. Here's a closer look at the magic that is Moscow under a blanket of snow:

Snowy weather could soon be replaced by abnormally warm temperatures. **Valery Sharifulin / TASS**
