Russia in 2020: The Year in Photos

December 28, 2020

For much of the world, 2020 was a historic, unprecedented year. This is especially true for Russia, which saw unprecedented environmental, social and political changes in addition to the pandemic. The Moscow Times is taking a look back at the images that defined 2020 in Russia — from snapshots of everyday life to historic moments that will be remembered for years to come:

Russia has been one of the world's most-affected countries amid the coronavirus pandemic. **Sergei Karpukhin / TASS**
