Russian Athletes' Glorious Medal Moments

July 28, 2021

Russian athletes at the Tokyo Olympics have so far won seven gold, eight silver and four bronze medals, putting them in fourth place overall. They're competing under a neutral Russian Olympic Committee (ROC) flag due to a ban stemming from state-sponsored doping violations. Take a look at our gallery of Russian winners:

Gold medalists Denis Abliazin, David Belyavsky, Artur Dalaloyan and Nikita Nagorny celebrate on the podium after winning the artistic gymnastics men's team final. **Martin Bureau / AFP**
